Subject: Extension Request:For Digital literacy project

Dear Professor Wemore,

I am writing to respectfully request an extension on the upcoming deadline for Digital literacy project, currently due on 29/3/2026.

Due to unforeseen family circumstances, I have fallen behind my intended schedule. I am committed to producing high-quality work and believe that a brief extension would allow me to meet the course standards effectively.

Would it be possible to submit my assignment by 1/5/2026 . I have attached my current progress for your review, and I am happy to provide any necessary documentation if required.

Thank you for your time and for considering my request.

Best regards,

Aqil mohammed P
